Muro

cork wall tile

Fresh

Muro Fresh offers crisp, modern visuals digitally printed on cork wall tile. Let your imagination go with the innovative Fresh patterns to create walls with stunning designs. Fresh tile size is 12"x 12" (nominal) x 4mm.

Declare.

Cork is a naturally versatile, durable, insulating, antimicrobial & anti-fungal rapidly renewable raw material.

Muro Fresh

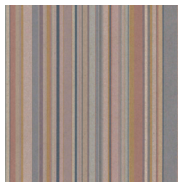

Patterns Stratosphere, Air, Pressure and Atmosphere contain a single design with no variations from tile to tile. Sphere* and Sky* patterns each have a number of variations; refer to labels on Sphere* and Sky* samples for variation details.

Sky
MWT006*

Fresh comes prefinished with a commercial grade water-based finish. Cork is a natural material; shade variations are inherent. UV rays will fade natural wood including cork. Proper window UV films shall be used in order to diminish this effect. Fresh patterns are not intended to line up.
