

Muro Fresh

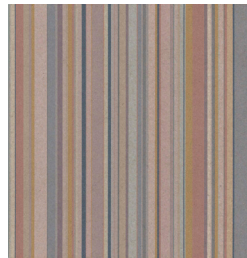

Muro Fresh offers crisp, modern visuals digitally printed on cork wall tile. Let your imagination go with the innovative Fresh patterns to create walls with stunning designs. Fresh tile size is 12"x 12" (nominal) x 4mm.

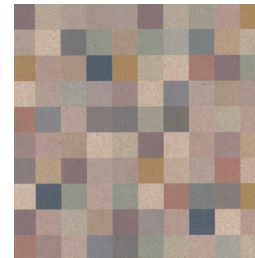

Stratosphere MWT001

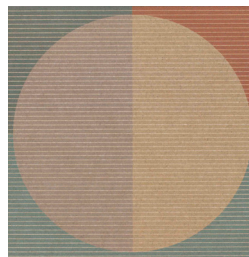

Air MWT002

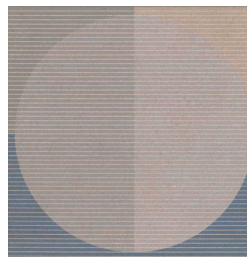

Pressure MWT003

Atmosphere MWT004

Sphere MWT005*

Sky MWT006*

Patterns Stratosphere, Air, Pressure and Atmosphere contain a single design with no variations from tile to tile. Sphere* and Sky* patterns each have a number of variations; refer to the back for details.

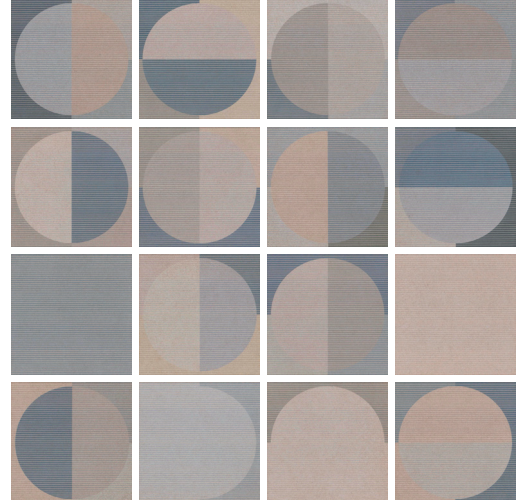

Muro Fresh

Sphere offers 14 pattern variations as shown below:

With a carton size of 88 tiles, each carton will include 6 tiles of the 14 patterns plus 4 random tiles.

Sky offers 16 pattern variations as shown below:

With a carton size of 88 tiles, each carton will include 5 tiles of the 16 patterns plus 4 random tiles.

Fresh comes prefinished with a commercial grade water-based finish. Cork is a natural material; shade variations are inherent. UV rays will fade natural wood including cork. Proper window UV films shall be used in order to diminish this effect. Fresh patterns are not intended to line up.

Cork is a naturally versatile, durable, insulating, antimicrobial & anti-fungal rapidly renewable raw material.
